Demystifying the College App Process (for parents and students)

This presentation will provide an overview of the college application process and postsecondary options. Information will be provided for how to apply to CSU/UC and Common App (and other private) schools. Topics will include: finalizing your list of schools, how to get started on applications, letters of recommendation, and getting started with your personal essays.

September 19th, 6-8pm

What is FAFSA? (for parents and students)

This presentation on FAFSA (Federal Student Financial Aid) will help you understand how FAFSA works and how to apply for scholarships. Please bring your computer! We will have 2 people from Monterra Credit Union and 1 from CSM so that parents/students can get hands-on help. They speak Spanish too!

September 26th, 7-9pm

College Essay Workshops (for students)

A presentation and workshop covering how to approach and write the PIQs for UC and personal essays for the Common App. Students will be given an overview of the prompts, have an opportunity to read examples, and will have a chance to brainstorm their ideas. Participants should bring a laptop! (*Laptops can be provided for those who need one.*)
